2

The screenshot shows the RyugakuSuccess website home page. At the top left is the logo featuring a graduation cap and the text "RYUGAKUSUCCESS". To the right of the logo is a navigation menu with "LOG IN" in orange, followed by "News", "Homestay", and "Employment". Below this is a secondary menu with "Home", "Students", "Products", "About", "FAQ", and "For Parents". A red oval highlights the "LOG IN" button and the "About" and "FAQ" links in the secondary menu. In the top right corner, there are flags for Japan and the United Kingdom. A blue oval highlights the "Home" link in the secondary menu. The main content area features a quote: "Success is measured in how well you can prepare yourself..." followed by a paragraph about the value of study abroad. Below this is a section titled "BRIDGE BENEFITS" with a diagram comparing a "TYPICAL STUDENT" to a "BRIDGE STUDENT". The diagram shows a transition from a student with fewer benefits to one with more. A legend lists the benefits: Target Job, Communication, Know People, Career Satisfaction, Self Trained, and Confident. On the left side, there is a testimonial from a student with a photo and a quote. Below the testimonial is a "KICKSTART LIGHT" logo and text about downloading worksheets. On the right side, there is a "MATCH VIDEO" section with a video thumbnail and a link to "English conversations using Talk with Coach". Below that is an "Ads by Google" section with an advertisement for "Downtown Los Angeles Hotel". At the bottom right, there are links for "Contact" and "Privacy".

1

This is the current:

Please change to this:

“Home” is white color because this page is the “Home” page

2

Keep the text as it is. Allow it to be shown in the CM system. The important work is

1. The placement of the one video at the left with some text for description (please have it rotate with four other videos (five in total)). The text will also change.
2. The location of company ads (please make 6 though 36 are rotated) and the googleads.

"Success is measured in how well you can prepare yourself..."

The value of study abroad has weakened. It is no longer valuable just to have good English language scores or some international experience. Ryugaku Success' BRIDGE activity can help you answer the question "How can I make my study abroad experience meaningful and valuable?" by simply following an easy process.

BRIDGE activity is simple. Using your free time, meet people who work in your target industry. This activity will help you increase your value as you will enhance skill, jargon, industry knowledge, etc. In addition, you would have many many friends jargon, industry knowledge, etc. In addition, you would have made many friends with whom you can continue a long-lasting friendship since industry friends tend to stay in touch over a longer period than friends made in a less than formal setting. Above this you gain what we call "Benefits" which are six elements above what you learn at school. BRIDGE students are powerful because they build a solid foundation around the skills they learn from school. This foundation is one that they have learned to build themselves.

RyugakuSuccess' mission is to show you how to obtain the benefits that many (if not all) employers highly value.

BRIDGE BENEFITS

TYPICAL STUDENT → **BRIDGE STUDENT**

3. As more students do the BRIDGE program I will add /delete students as I do with my villas on PDV site.

For this page I need the title (A), image (B), text (c) and link (D). In A I will write the name of the student. In B is the student image. In C is the student quote and in D is the link to the student's page.

On this page I want space for 6 students but this may become 12 later. Please allow the Cm to allow for up to 12 students.

The screenshot shows a website layout with a teal background. At the top, a heading reads: **"Success" is measured in how well you can prepare yourself.** These students were considered better prepared for their future job than typical students and they understood much more about themselves as working people.

Below the heading are three columns of student testimonials, each with a title, a student image, a quote, and a link:

- BRIDGE Self Learning:** Image of a woman, quote: "I found that BRIDGE helped me find more opportunities than I could have gotten otherwise..." Link: [Click to view Megumi's workbook](#)
- TwC: Talk with Coach:** Image of a woman, quote: "My coach helped me understand the BRIDGE program better and taught me real-world tips..." Link: [Click to view Reiko's worksheets](#)
- Homestay Students:** Image of a man, quote: "Homestay is a great opportunity and Matt was very helpful while I was there..." Link: [Click to view Kentaro's worksheets](#)

Below these are three more columns:

- Coached Students:** Image of a man, quote: "Matt taught me how to improve my communication skills and understand the BRIDGE program better..." Link: [Click to view Yosuke's worksheets](#)
- Past Interns:** Image of a woman, quote: "Interning with Matt gave me real-world skills that will help me in my career..." Link: [Read Akiko's full testimonial](#)
- BRIDGE Self Learning:** Image of a woman, quote: "I found that BRIDGE helped me find more opportunities than I could have gotten otherwise..." Link: [Click to view Megumi's workbook](#)

At the bottom right, there are two buttons: "Tell a friend" and "Buy".

Labels A, B, C, and D are placed on the left side of the image, with arrows pointing to the heading, a student image, a quote, and a link, respectively.

Products Page

This last product is “Videos & Presentations”. I will need an image for this. The text will say: This product is free for people who buy all the other products This product will be placed here.

My son was able to get good support. His experience seems to have surpassed most of his classmates. When h returned I saw a noticeable difference in his character and in his knowledge of the industry he was targeting. He seamed more calm and sure. Thank you RS for your help. Our investment was a good decision.
